PROVIDE A BRIEF DESCRIPTION OF THIS PROJECT:

Don't let the name decieve you, this is an activity everyone can participate in! Loud music, food, friends, and basketball is what this event is all about. The 6th, 7th, and 8th graders are allowed up to 6 people on one team. You may have a combination of kids from any grade but you must have co-ed teams. Each team pays \$5 to play, which goes toward food and water, and the rest goes to Spread the Magic, our state charity. That is a brief description of our 3on3 Basketball Tournament.

DESCRIBE THE PLANNING & EXECUTION OF THIS PROJECT:

There are 4 games going on at the same time and each game lasts 6 minutes. An after school meeting was held to make forms, the rules, and obtain teacher volunteers to help the day of the tournament.

DESCRIBE THE BENEFIT OF THIS PROJECT BENEFIT TO SCHOOL AND/OR COMMUNITY:

Promotes Social interacton between 6th, 7th, and 8th graders and helps Student Council raise money. Everyone is allowed to play if they want, then the teams switch. Someone on your Student Council can organize a branch system, operate the music, and be the announcers to let teams know when to switch. In the end, the winning team plays the staff at Clash of the Classes.

EVALUATE THE EFFECTIVENESS OF THIS PROJECT, REFLECTING ON ANY POSSIBLE CHANGES YOU MIGHT CONSIDER:

This is a very successful event. Students from all three grades start forming their teams in January to start preparing for this. It is always the talk of February and March. We have been hosting this event since 2005. It is always a huge hit.
