People who are 17 and older are allowed to donate blood. Due to the fact that this is a school function, all who donate must have their parent/guardian fill out the bottom portion. Be aware that this is your pass to get into the West Gym to donate the blood. You must have permission from your teacher to leave the class and you must have your Social Security Number and School ID. It is imperative that you eat before donating!

I am aware that my child _____ will be participating in the Columbia High School Blood Drive, operated by The Blood Center of New Jersey.
