## **Hello Nominees, Homecoming Chairs & Drivers, Advisors,**

With this week being **Homecoming** there are a few things you need to know:

**Class Advisors-** Line up on the track with freshmen being first and seniors going last. You need to do this quite expediently as we have a lot to get in. Please make sure you have a banner and music. Please give the music to Katie Van Horn or Krystal Daeschler prior to the game on **Friday**. ***Remember the teams have to run off of the field, so you must make room for them and line up quickly!***

- 1) **King and Queen Nominees** should be dressed nicely & at the football game **this Friday**, 10/19, by 7:00. (Start of the game)
- 2) I will have committee members there to greet you & your escorts and line you up. You are the 2nd part of the show as the classes will pay tribute to "Heroes" this year. **The classes go first.**
- 3) **Boys**, we are trying something new with your inclusion in the halftime show! You will be announced first and in alphabetical order. You'll wait by the center of the bleachers on the track. You will line up on the track in front of the bleachers and greet the girls as they are escorted down the track. Please stagger yourselves on the track and as the girls line up with their escort, stand on the *other* side of the girl... (*Escort-Queen Nominee-King Nominee---Escort-Queen Nominee-King Nominee, etc.*)
- 4) After the Runner-up & the Queen are announced, and the Queen crowned, **both the King and Queen Nominees will ride around the track in the convertibles. The Queen and her Runner up will go in the last car!** You would need to ride 2 boys to 2 girls in the other convertibles staggering boy-girl-boy-girl.
- 5) If it is sprinkling we go as planned...if it is a downpour we will **not** be using the convertibles.

**Drivers-**I'm sure you thought of this already, but make sure you protect your back seat as the kids will be climbing in, with the girls possibly in heels. You will **need to line up your cars on the track as well.** You'll come in at the end, pulling up slowly after the Queen is announced. We'll put in 4 kids per car with the last car driving the Queen and Runner-up. After your lap around the track, you're free to pull off. **Thank you so very much!**

**Nominees- wave, smile, be happy...this doesn't happen every day!**

**Tim-**I realize you are a member of the football team. I imagine you'll need to be in the locker room at the half. We will announce your name and mention you're on the team. If your coach thinks he can spare you that will work too. (just come in uniform)

**\*All Nominees must be at the Homecoming Dance Saturday night where you will be introduced and the King announced and crowned. You'll all be expected to share a dance of course! King and Queen dance together, runner-ups dance together!**

## HOMECOMING 2012

Good evening Ladies and gentlemen, alumni, and students of High Point Regional High School. Welcome to the Student Council Homecoming Show, produced and directed by our Student Council, co-chaired by \_\_\_\_\_.

The first part of our show is a presentation by each class of our Homecoming theme. This year's theme is "American Heroes".

Our first class is the Class of 2016, the FRESHMAN CLASS!!! The FRESHMAN chose as their heroes the four legged kind! These loyal dogs not only guide us when we need them but find us when we're lost or injured. They're called "Man's best friend" with good reason. Great job FRESHMAN! Let's give a warm welcome to the Class of 2016!

Next, let's greet the SOPHOMORES, the Class of 2015. The sophomores chose as their heroes First Responders! These are the men and women who race to the scene risking their lives to save ours! They are well trained and always prepared for whatever danger they will face.

Now let's greet the Class of 2014, THE JUNIORS!!! The juniors have chosen our men and women who wear the badge of courage. These brave Americans in uniform keep us sleeping safely at night knowing they're keeping watch throughout the world. Let's have a shout out for our Americans in uniform!

Finally we have the Class of 2013, THE SENIORS!!! Calling all firefighters! Let's hear it for our seniors who represent our nation's finest! When others are running out---they are running in! Where there's smoke there's fire! These men and women are always on the scene putting the safety of others before their own.

Now, we need your help to decide which class made the best presentation...Your applause and loud cheering will determine the winner!

OKAY! HERE WE GO!

FIRST-LET'S HEAR IT FOR THE FRESHMAN!!!

NOW-LET'S HEAR IT FOR THE SOPHOMORES!!!

NEXT-LET'S HEAR IT FOR THE JUNIORS!!!

FINALLY-LET'S HEAR IT FOR THE SENIORS!!!

Freshman-----Hands on knees

Sophomores--Hands on head
