

Haunted High School

Presented by Williamstown High School
NJASC Winter Convention
January 7th, 2015

What and when is it?

- Haunted High School is a community service project that we started over 20 years ago.
- We offer a safe alternative to trick-or-treating to any students 10 or younger.
- Clubs from our high school decorate the hallways and dress up in costume.
- Our students decorate the hallway from about 12:30 PM – 4:00 PM.
- Children from the community are invited to come from 4:00 PM – 6:00 PM. Our Students then clean from 6 PM until about 6:45 PM.

How does this help?

- We provide a service for the parents and young students in our district.
- The cost to attend the event is one canned good
- We bring together the school community by collecting candy from all schools and staff
- Local businesses donate
- Police provide free assistance since we help kids stay off the streets.

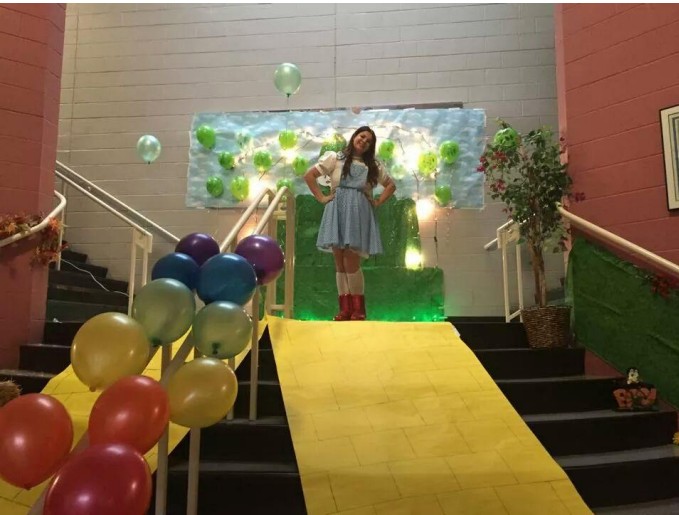

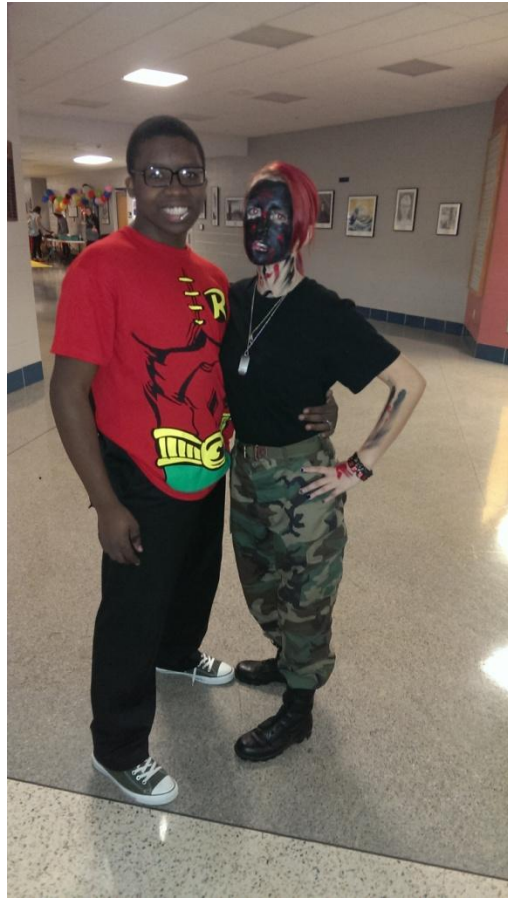

Best way to get candy

- Ask local businesses
- Ask the local police organization
- Ask the students and teachers
- Offer incentives to donate- Extra credit
- Ask your school administration
