What is Prom House 10 Carranza?

Prom house is a post-prom drug and alcohol free lock-in held at our school

Why do we do this?

According to the National Highway Traffic Safety Administration, for the past several years during prom weekend, approximately 350 teens have died in alcohol-related car accidents.

Also according to the NHTSA, one in three children under age 21 who died in alcohol-related accidents died during prom and graduation season.

PROM STATS

90% of teens believe their peers are more likely to drink and drive on prom night.

90%

Alcohol is involved in almost 1/3 of teenage car accident fatalities.

1/3 teen car deaths:
**CAUSED BY
ALCOHOL**

54% of students had 4+ drinks on prom night.

54%

100%

About 5,000 people under 21 die each year from underage drinking.
