

FHS Safe Halloween

Contact Info-
Mr. Robert Freedman
Student Government Advisor
Franklin High School
500 Elizabeth Ave.
Somerset, NJ 08873

Safe Halloween is a district-wide event that gives kids from the elementary and middle schools a safe place to trick or treat. This is in light of outside dangerous environments. Our location is the Events Lobby and Cafeteria, which is a specific section of the school. I draw up a map of designated areas. Clubs/Groups participate under specific guidelines. As an example.... Student Government-Freedman- NO MORE THAN 10 KIDS, Games. To help control the room/area the club advisor must be present. If the advisor cannot be present, we ask that they do not sign their club up to participate. If they cannot be there for the entire time we ask that they do not sign their club up. Clubs are allowed to set up at a specific time and cannot without an advisor present. We try to limit the amount of club members present as this is an event for younger kids.

Brief Time Schedule-
October 31st
Event- 4-6pm.
Set-up 3:30-4.
Clean-up 6 to clean.

Safe Halloween
